SAFETY RULES

- A. Daily rider meetings are mandatory. Before attending the meeting, gear should be packed, bike fueled, and ready to depart.
- B. There will be NO use of alcohol or drugs during the day while we are en route.
- C. All riders must have their lanyards with medical cards on during the ride.
- D. Don't change positions during the ride. If you must break out of your platoon, you will need to go to the back behind the support trailer until the next stop.
- E. Don't use brakes when slowing down, gear down instead. Using brakes only creates a rubber-band effect.
- F. Ride staggered except when instructed to change to single file.
- G. Listen and follow your platoon leader, and follow the rules of the road.
- H. Platoon leaders are going to communicate by CB. Please do not talk on CB's as it will interfere with the communications of the platoon leaders.
- I. Leaders will point out obstructions on the road, please replicate their hand signals so everyone behind knows of obstructions.
- J. Let's have a fun and safe ride - safety first.

HAND SIGNALS:

Single File - arm and index finger extended straight up

Slow Down - arm extended straight out, palm facing down

Double File - arm with index and middle finger extended straight up

Hazard in Roadway - on the right, point with right foot; on the left, point with left hand

Pull Off - arm positioned as for right turn, forearm swung toward shoulder

A BIKER'S PRAYER

May the sun rise in front of me
The rain fall behind me and the wind follow me.
May the angels guard my travels
For they know what is ahead of me.
Keep me safe through rolling hills and swirling turns.
Let the eagle guide me to the mountain tops.
Let the moon's light guide me through the night.
Lord, thank you for letting me be a biker. Amen.
